

## SAMSARA SITE VISIBILITY

# NDAA Compliance

Samsara confirms that the IP Site Cameras and Site Gateway are NDAA-compliant.

### NDAA-COMPLIANCE STATEMENT

The Samsara Site Visibility security camera solution, its chipsets, and other technology components do not come from the list of prohibited Chinese companies in the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (NDAA). The Samsara Site Visibility security camera solution includes the SG1 Site Gateway, the SC11 Dome IP Site Camera, and the SC21 Bullet IP Site Camera.

### NATIONAL DEFENSE AUTHORIZATION ACT OVERVIEW

[Section 889](#) of the NDAA states that federal agencies are prohibited from entering, extending, or renewing a contract with any entity that uses certain equipment or services from named Chinese-based security camera vendors “as a substantial or essential component of any system, or as critical technology part of any system.”

This ban includes certain equipment manufactured by companies such as Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, and Dahua Technology Company.
